**AGENDA ITEM:** 4.c.

**SUBJECT:** Approval of Procedures for Receipt of Electronic Sealed Bids and Proposals

---

**INFORMATION AND DISCUSSION:** In order to more efficiently interact with vendors and contractors, Purchasing is recommending to allow for the electronic submission and receipt of bids and proposals. In accordance with CF(LEGAL) policy and CF(LOCAL) policy and Chapter 44.0313 of the Texas Education Code, the College may receive bids or proposals under this chapter through electronic transmission if the Board of Trustees adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper date and time.

The College has procured a software as a service solution that enables the Purchasing Department to securely receive and store responses to requests for sealed bids or proposals from interested vendors electronically. This software, along with the recommended procedures for use established by the Purchasing department, complies with all of the requirements of this subchapter.

Adoption of this procedure will allow the College to electronically accept responses to all types of sealed requests for pricing or qualifications from vendors in a secure format which complies with the standards established in statute and board policy. Use of this tool eliminates the need for paper submissions to be mailed or delivered to the College for consideration and will aid in automating a portion of the solicitation preparation and issuance requirements.

**RECOMMENDATION:** The Board of Trustees approves the proposed procedures.

**ATTACHMENTS:** Attachment A - E-procurement Procedure for receipt of Electronic Bids or Proposals

**Internal Operating Procedure**  
**Receipt of Electronic Sealed Bids or Proposals**

SUMMARY: This procedure will apply to sealed bids and proposals that are estimated cost will exceed \$50,000 or the sealed bid/proposal dollar levels as defined by current state law or Board Policy. This procedure is to ensure the identification, security and confidentiality of electronic sealed bids and proposals and to ensure that the electronic sealed bids or proposals remain effectively unopened until the proper date and time.

Responsible Party	Process
Purchasing Staff	Places solicitation notice advertisements as required by State law. A notification will be added to the solicitation advertisement stating vendors may submit responses electronically through the electronic procurement system, listing the appropriate e-procurement portal address.
Purchasing Staff	Will prepare the solicitation documents within the system which will automatically select vendors to receive notification of the solicitation. Vendors that are not registered in the system may be manually added prior to or after issuance of the solicitation. The system will send an email notification to all vendors that have been added. The email notification will include a link to the solicitation package.
Vendors	Can view the solicitation without being registered in the system, but must register in order to submit the sealed bid or proposal electronically. Must provide all required information in the system and upon completion will submit the response electronically. If all required information is not provided, the vendor will receive an error message that identifies what items are not yet complete. Upon successful submission of the response, the vendor will receive a message indicating that their response has been submitted. Vendors are encouraged to submit responses to solicitations online, as online submission will prevent missing documentation, minimize the work and expense required to submit a response, and is environmentally conscious.
Purchasing Staff	Only a password-enabled employee in the Purchasing Department will be able to unseal the electronic responses. The electronic system used remains locked and cannot be unsealed until after the established closing date and time indicated. The date and time can be extended, if required.
System	A bid or proposal tabulation will automatically be populated by the system and will be available for dissemination in accordance with statutory requirements and with the Texas Open Records Act.
Purchasing Staff, VP or Authorized Designee	Will read aloud all electronic bid or proposal responses successfully submitted by closing time and date to interested parties that may be present. Vendors can view the tabulation from any web browser without having to attend a bid opening. Any manual responses received will not be readily available on the tabulation. Manual responses will be added by the Purchasing Staff.
Purchasing Staff	Updates the appropriate folder in the system to indicate the awarded vendors which triggers the system to send an email notification to the awarded and non-awarded vendors who responded. The award information is available publicly through the system.

System	<p>Will post a recap electronically as appropriate with the following statement being included in the terms and conditions of the solicitation document.</p> <p><i>All solicitations submitted electronically for the designated project will be reflected on the tabulation sheets available for download upon closing of the solicitation. The listing of bids/proposals on the tabulation sheet should not be construed as a comment on the responsiveness of such bid/proposal or as any indication that the College accepts such bid/proposal as responsive. Bids/proposals submitted manually will not be reflected in the online tabulation. The College will notify the successful Respondent upon award of the contract.</i></p>
Purchasing Staff	<p>Makes the award of the contract within the system, which sends an email notification to the awarded and non-awarded vendors. The award information is available publicly through the e-procurement system.</p>

## Weatherford College Board of Trustees

**DATE:** February 10, 2022

**AGENDA ITEM:** # 4.e.

**SUBJECT:** TASB Policy Service Update #42

---

**INFORMATION AND DISCUSSION:** Weatherford College utilizes the Texas Association of School Boards (TASB) Policy Service for legal and local policies contained in the *Weatherford College Board Policy Manual*. TASB provides ongoing updates for college districts to ensure that the *Manual* is current and reliable. The most recent update by TASB is #42.

TASB updates legal policies in the *Manual* based on changes in state or federal laws. Board of Trustees action is not permitted on legal policies since they are mandated through state or federal law. However, it is recommended that the Board review updates to the legal policies.

In addition, TASB recommends updates to “local” policies, which the Board of Trustees may approve as written, or amended, to ensure that the College’s local policies are consistent with recent changes in legislation and legal policies. Below are the Local policies included in Update #42, along with explanatory notes regarding the recommended changes:

Policy Code	Action	Explanatory Note
BBD (Local)	<b>REPLACE</b> policy	<b>BOARD MEMBERS: ORIENTATION AND TRAINING</b> As permitted by state law, recommended revisions to this policy reflect the choice of the board to designate the college district's chief executive officer (CEO) or the CEO's designee to select a Cybersecurity Training program. The revisions also provide that the CEO may remove a board member's access to the college district's computer systems if the board member does not satisfy the training requirements, and, in compliance with law, that the CEO must periodically require the review of the college district's compliance with the cybersecurity training requirements. Additional amendments are to conform to TASB style.
CF (Local)	<b>REPLACE</b> policy	<b>PURCHASING AND ACQUISITION</b> To ease the college district's response to emergencies, consistent with law, new recommended language at Emergency Exception reflects the board's delegation of authority to the college district CEO to contract for the replacement, construction, or repair of equipment or facilities in the

		<p>event of a catastrophe, emergency, or natural disaster under certain circumstances. The CEO must report to the board any contracts made under the delegated authority at the next regular meeting.</p>
CHA (Local)	<b>REPLACE</b> policy	<p><b>SITE MANAGEMENT: SECURITY</b></p> <p>Recommended revisions to this local policy address the HB 1758 provisions on college district peace officers' use of force By Drone. The revisions reflect the decision not to authorize the use of force by drone. If the college district is considering authorizing the use of force by drone, contact the college district's policy consultant. In addition, a recommended cross reference to DEC for new language from SB 1359 and HB 2073 addressing Peace Officer Leave has been added.</p>
CHF (Local)	<b>REPLACE</b> policy	<p><b>SITE MANAGEMENT: WEAPONS</b></p> <p>At Other Weapons and Devices Prohibited, in response to the removal of firearm silencers from the legal definition of <i>prohibited weapon</i> in HB 957, recommended revisions to this local policy add firearm silencers to the college district's locally developed list of prohibited weapons.</p>
CKD (Local)	<b>REPLACE</b> policy	<p><b>INSURANCE AND ANNUITIES MANAGEMENT: HEALTH AND LIFE INSURANCE</b></p> <p>At Ineligibility of Employees Performing Services Outside Texas, recommended revisions to this local policy address the college district's choice not to extend group benefits program eligibility under the Insurance Code to employees who perform services outside of the state.</p>
CM (Local)	<b>REPLACE</b> policy	<p><b>FACILITIES CONSTRUCTION</b></p> <p>To ease the college district's response to emergencies, consistent with law, new recommended language at Emergency Exception reflects the board's delegation of authority to the college district CEO to contract for the replacement, construction, or repair of equipment or facilities in the event of a catastrophe, emergency, or natural disaster, under certain circumstances. The CEO must report to the board any contracts made under the delegated authority at the next regular meeting.</p>
DEC (Local)	<b>REPLACE</b> policy	<p><b>COMPENSATION AND BENEFITS: LEAVES AND ABSENCES</b></p> <p>Recommended revisions to this local policy address SB 1359 requirements related to Mental Health Leave for Peace Officers and HB 2073 requirements related to Quarantine Leave for Peace Officers and Emergency Medical Technicians. SB 1359 allows peace officers to take time off after experiencing a traumatic event while on duty, and HB 2073 allows time off for peace officers and/or EMTs who are required to quarantine because of an exposure while on duty.</p>

DIAA (Local)	<b>REPLACE</b> policy	<b>FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION: SEX AND SEXUAL VIOLENCE</b> Recommended revisions to this local policy address SB 1371, clarifying that a college district Peace Officer may only be required to disclose the type of incident in a report of prohibited conduct submitted by the officer to the Title IX coordinator if the officer receives information regarding the incident from an employee who chooses to complete a pseudonym form. Additional amendments are to conform to TASB style.
DK (Local)	<b>REPLACE</b> policy	<b>PROFESSIONAL DEVELOPMENT</b> As permitted by state law, recommended revisions to this policy reflect the board's choice to designate the college district's chief executive officer (CEO) or the CEO's designee to select a Cybersecurity Training program. Revisions provide that the CEO may remove an employee's access to the college district's computer systems if the employee does not satisfy the training requirements. The revisions also provide, in compliance with law, that the CEO must verify and report cybersecurity training by college district employees and periodically require the review of the college district's compliance with the cybersecurity training requirements.
DMD (Local)	<b>REPLACE</b> policy	<b>TERMINATION OF EMPLOYMENT: RESIGNATION</b> Recommended revisions to this local policy are based on best practices and require resignations submitted by contract employees to be filed with the college district's CEO or other board designee but continue to permit the college district's CEO to delegate authority to accept at-will resignations to other administrators.
ECC (Local)	<b>REPLACE</b> policy	<b>INSTRUCTIONAL ARRANGEMENTS: COURSE LOAD AND SCHEDULES</b> At Exceptions for Good Cause and Exception for COVID-19 Pandemic, recommended revisions to this local policy address the SB 165 requirements that college districts allow students to exceed the six course limit on the number of dropped courses in the event of certain disasters.
FFDA (Local)	<b>REPLACE</b> policy	<b>FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION: SEX AND SEXUAL VIOLENCE</b> Recommended revisions to this local policy address SB 1371, clarifying that a college district Peace Officer may only be required to disclose the type of incident in a report of prohibited conduct submitted by the officer to the Title IX coordinator if the officer receives information regarding the incident from a student who chooses to complete a pseudonym form. Additional amendments are to conform to TASB style.

FLB (Local)	<b>REPLACE</b> policy	<b>STUDENT RIGHTS AND RESPONSIBILITIES: STUDENT CONDUCT</b> Recommended revisions to this local policy have been made to clarify language related to Prohibited Weapons and Devices to better match the corresponding language at CHF (LOCAL).
GCB (Local)	<b>REPLACE</b> policy	<b>PUBLIC INFORMATION PROGRAM: REQUESTS FOR INFORMATION</b> Recommended revisions to this local policy address the SB 1225 requirements related to the Suspension of Public Information During a Catastrophe.

**RECOMMENDATION:** That the Board of Trustees add, revise, and/or delete Local policies as indicated above and as recommended by Cabinet and by TASB Policy Service Update #42.

## (LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; omitted in Word)

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes ~~moved text~~.
- *Revision bars* appear in the right margin, as above.

---

**Note:** While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

Report**

The College District may request, but shall not insist upon, a written report. If a report is made orally, the Title IX coordinator or designee shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the Title IX coordinator shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the Title IX coordinator shall promptly offer supportive measures to the complainant. The Title IX coordinator shall explain the process for filing a formal complaint and assess any request not to investigate. If the College District moves forward with the investigation, the Title IX coordinator shall immediately provide notice to the known parties to the complaint.

If the Title IX coordinator determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the Title IX coordinator shall refer the complaint for consideration under the appropriate policy.

*Request Not to  
Investigate*

The complainant may request that the College District not investigate the allegations. If the complainant requests that the allegations not be investigated, in deciding whether to initiate the investigation, the College District must consider the factors described by law and any other factors the College District considers relevant.

The College District shall promptly notify the complainant of the decision regarding whether it will conduct the investigation. If the College District decides not to investigate the allegations, the College District shall take reasonable steps to protect the health and safety of the College District community.

The notice must state that the respondent is presumed not responsible until a determination regarding responsibility is made. The notice must also include information regarding the option to select an advisor, the opportunity to inspect and review evidence, and the prohibition on knowingly making false statements or submitting false information during the investigation and any ensuing proceedings.

If the allegations are subsequently amended, the College District shall provide an updated notice reflecting the new allegations.

Informal Resolution

The College District may offer to the parties a process for the informal resolution of a formal complaint as defined by law. If the parties voluntarily agree in writing to participate in informal resolution

If the Title IX coordinator does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process.

**Formal Resolution**

If the complaint is not subject to the informal resolution process, the Title IX coordinator shall authorize or undertake an investigation.

**Supportive Measures**

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the Title IX coordinator shall promptly provide supportive measures intended to prevent prohibited conduct, protect the safety of the parties and others, and protect the parties from retaliation prior to the completion of the investigation. Examples of possible supportive measures include work accommodations, such as leaves of absence or administrative leave; mutual restrictions on contact between the parties; counseling and health services; and increased security and monitoring of certain areas of the campus.

**College District Investigation**

The investigation may be conducted by the Title IX coordinator or a designee or by a third party designated by the College District, such as an attorney. When appropriate, the supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the complainant, the respondent, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The parties shall be provided an equal opportunity to present witnesses and evidence and to inspect and review any directly related evidence obtained by the College District so that the parties may meaningfully respond during the investigation process. **AGENDA ITEM # 4.f.**

**SUBJECT:** BuyBoard Cooperative Contract Proposal for Replacement of HVAC Units at Coyote Village

---

**INFORMATION AND DISCUSSION:** Weatherford College is taking steps to improve air quality and prevent the spread of viruses such as corona19, flu A and flu B among our student population in our Coyote Village dormitories. The current HVAC units are oversized and cause high humidity and mildew. In order to meet this objective, Weatherford College has solicited a BuyBoard Cooperative contract proposal from The Brandt Companies for forty-eight (48) 2-ton HVAC units and thirteen (13) 1.5-ton HVAC units. Funds have been allocated in the ARPA (American Rescue Plan Act) Grant for purchase of these products and services.

After evaluation and review of the proposal, Mr. Jon Stark, CBRE/WC Facilities Manager, and Mrs. Toni Martin, Assistant Director of Purchasing, recommend approval of the proposal as follows.

The Brandt Companies BuyBoard contract #638-21 proposal #P-20220121-0001 for \$326,643.00 includes labor, materials and installation.

**RECOMMENDATION:** The Board of Trustees award proposal as presented.

**Weatherford College Board of Trustees  
Consent Agenda**

**DATE:** February 10, 2022

**AGENDA ITEM #4.h.**

**SUBJECT:** Determination of Method that Provides Best Value for Procurement of Emergency Replacement on Damaged Roof for Betty Jo Graber Gymnasium Building

---

**INFORMATION AND DISCUSSION:** On October 29, 2021, the Betty Jo Graber Gymnasium roof was severely damaged due to high winds. In order to replace the roof that was damaged, it is required that the board of trustees considers a construction contract method. Normally we would have recommended that competitive sealed proposals be advertised, but due to the urgency of the replacement and fear of further damage, we are recommending that this be considered an emergency purchase and therefore choose a job order contractor through an Interlocal Contract as per Chapter 2269, Government Code.

A common form of Interlocal Contract that we are recommending is a purchasing cooperative. A cooperative procures goods or services in compliance with the procurement requirements applicable to the government entity performing the procurement. For procurement of construction services, the most common method of procurement used is the Job Order Contract method. Under this method, the cooperative qualifies successful Job Order Contractors to perform construction services for members of the cooperative under the Job Order Contract. Weatherford College is a member of several purchasing cooperatives and will request contract pricing from qualified contractors to perform construction services. Under this method, WC is not required to advertise for, receive, and publicly open sealed proposals for the Job Order Contracts entered under an Interlocal Contract.

In order to justify the procurement under this method, Texas Government Code Chapter 2269 allows that if school equipment, a school facility, or a portion of a school facility or personal property is (1) destroyed or severely damaged; or (2) undergoes major operational or structural failure due to an unforeseen catastrophe or emergency, and the board determines that the delay posed by the procedures otherwise required would prevent or substantially impair classes or other essential school activities, then contracts for the replacement or repair of this equipment or the school facility may be made by other methods.

**RECOMMENDATION:** That the Board of Trustees approve Interlocal Contract through a Purchasing Cooperative Job Order Contract as the method of construction that provides the best value for the Betty Jo Graber Gymnasium Building Roof Replacement as an emergency purchase.

**INFORMATION AND DISCUSSION:** Based upon the recommendation of the Tuition and Fees Advisory Committee, the administration is considering changes in tuition and fees for the 2022-23 academic year. The administration, along with the assistance of the Tuition and Fees Advisory Committee, have researched and analyzed the current rates of Weatherford College and the other community colleges in the state of Texas. Factors contributing to this analysis and still under review at this time are:

- Anticipated budget expenditures for the 2022-23 budget.
- 2022-23 state appropriations.
- Tuition and fee revenue supplements and other major revenue sources, primarily property taxes.

Changes in tuition and fees recommended by the Tuition and Fees Advisory Committee are listed below for the 2022-23 academic year:

- Tuition rates for in-district students would increase by \$7.00 per semester credit hour or 7%. Tuition for out-of-district students would increase by \$15.00 per semester credit hour or 9%. - The institutional enrichment fee would increase by \$5.00 per credit hour to \$20.00 per credit hour.
- A new differential tuition rate of \$20.00 per credit hour would be added for both the Cosmetology and Welding Technology programs.
- Housing rates would decrease by \$25.00 per semester bringing the 1 and 2 bedroom charge to \$2,485.00 per semester and the 4 bedroom charge to \$3,810.00 per semester.
- Meal plan rates would increase by \$25.00 per semester bringing the 19-meal plan to \$1,575.00 per semester and the 10-meal plan to \$1,360.00 per semester.
- The TEAS testing fee would increase by \$5.00 to \$85.00.
- Lab fees are being added to the following courses: ITCC1344, ITDF1300, ITSC1316, ITSE1345, ITSE2310, ITSE2354, ITSY1342, ITSY2300, ITSY2301, ITSY2330, ITSC2325, ITSY2341, ITSY2342, ITSY2343, WLDG1200, WLDG1202, WLDG1204, WLDG1206, WLDG1307, WLDG1313, WLDG1317 and WLDG1327.
