President's Report

a. Recognitions –

- Two former Weatherford College rodeo athletes recently won world championships at the Wrangler National Finals Rodeo in Las Vegas. Jordon Peterson Briggs won the barrel racing title, and Sawyer Gilbert won the breakaway roping title. They are the first WC alumni to win world pro rodeo championships.

In order to more efficiently interact with vendors and contractors, Purchasing is recommending to allow for the electronic submission and receipt of bids and proposals. In accordance with CF(LEGAL) policy and CF(LOCAL) policy and Chapter 44.0313 of the Texas Education Code, the College may receive bids or proposals under this chapter through electronic transmission if the Board of Trustees adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and ensure that the electronic bids or proposals remain effectively unopened until the proper date and time. The College has procured a software as a service solution that enables the Purchasing Department to securely receive and store responses to requests for sealed bids or proposals from interested vendors electronically. This software, along with the recommended procedures for use established by the Purchasing department, complies with all of the requirements of this subchapter. Adoption of this procedure will allow the College to electronically accept responses to all types of sealed requests for pricing or qualifications from vendors in a secure format, which complies with the standards established in statute and board policy. Use of this tool eliminates the need for paper submissions to be mailed or delivered to the College for consideration and will aid in automating a portion of the solicitation preparation and issuance requirements. *Attachments: Attachment A - E-procurement Procedure for receipt of Electronic Bids or Proposals submitted by Dr. Andra R. Cantrell, executive vice-president of financial & administrative affairs.*

Weatherford College utilizes the Texas Association of School Boards (TASB) Policy Service for legal and local policies contained in the Weatherford College Board Policy Manual. TASB provides ongoing updates for college districts to ensure that the Manual is current and reliable. The most recent update by TASB is #42. TASB updates legal policies in the Manual based on changes in state or federal laws. Board of Trustees action is not permitted on legal policies since they are mandated through state or federal law. However, it is recommended that the Board review updates to the legal policies. In addition, TASB recommends updates to "local" policies, which the Board of Trustees may approve as written, or amended, to ensure that the College's local policies are consistent with recent changes in legislation and legal policies. Local policies included in Update #42, along with explanatory notes regarding the recommended changes are included in the packets. The recommendation was made that the Board of Trustees add, revise, and delete Local policies as indicated and as recommended by Cabinet and by TASB Policy Service Update #42. *Attached is Update #42 Local Policy Comparison Packet submitted executive director of human resources.*

Update #42

Weatherford College is taking steps to improve air quality and prevent the spread of viruses such as CORONA19, flu A and flu B among our student population in our Coyote Village dormitories. The current HVAC units are oversized and cause high humidity and mildew. In order to meet this objective,

BuyBoard Cooperative
Contract Proposal for
Replacement of

After evaluation and review of the proposal, Mr. Jon Stark, CBRE/WC Facilities Manager, and Mrs. Toni Martin, Assistant Director of Purchasing, recommend approval of the proposal as follows. The Brandt Companies BuyBoard contract #638-21 proposal #P-20220121-0001 for \$326,643.00 includes labor, materials and installation. On October 29, 2021, the Betty Jo Graber Gymnasium roof was severely damaged due to high winds. In order to replace the roof that was damaged, it is required that the board of trustees considers a construction contract method. Normally we would have recommended that competitive sealed proposals be advertised, but due to the urgency of the replacement and fear of further damage, we are recommending that this be considered an emergency purchase and therefore choose a job order contractor through an Interlocal Contract as per Chapter 2269, Government Code. In order to justify the procurement under this method, Texas Government Code Chapter 2269 allows that if school equipment, a school facility, or a portion of a school facility or personal property is (1) destroyed or severely damaged; or (2) undergoes major operational or structural failure due to an unforeseen catastrophe or emergency, and the board determines that the delay posed by the procedures otherwise required would prevent or substantially impair classes or other

Determination of Method that Provides Best Value for Procurement of Emergency Replacement on Damaged Roof for Betty Jo Graber Gymnasium Building

essential school activities, then contracts for the replacement or repair of this equipment or the school facility may be made by other methods. The recommendation was made that the Board of Trustees approve Interlocal Contract through a Purchasing Cooperative Job Order Contract as the method of construction that provides the best value for the Betty Jo Graber Gymnasium Building Roof Replacement as an emergency purchase submitted by Dr. Andra R. Cantrell, executive vice-president for financial & administrative affairs.

Weatherford College Board of Trustees Report

DATE: March 10, 2022

AGENDA ITEM# 9.a.

SUBJECT: Academic and Student Services Update

INFORMATION AND DISCUSSION:

Pathways Update:

Weatherford College and Texas A&M University-Commerce signed an articulation agreement allowing graduates of the Bachelor's of Applied Arts and Sciences in Organizational Leadership to enter the Master's of Science in Business Degree Program at TAMUC. This is the first post-baccalaureate degree articulation agreement in Weatherford College history.

Instructional Support Services Update:

The Academic Success Center relocation to the Student Services building was completed. The ASC now serves students with mentoring needs in accounting, business, physics, chemistry, Spanish, OTA, PTA, and General Studies. After Spring Break, the Center for Research and Writing will also move to the Student Services Building. The Testing Center recently completed its student survey activities, yielding student satisfaction in the 90th percentile on all criteria.

Program Updates:

The Vet Tech program completed its AVMA site visit on February 9 and 10. We are awaiting the written report from the committee in preparation for our response and licensure consideration in May.

Numbers with Heart:

Date: 02/23/2022

Time: 2:00 PM – 5:30 PM

Temperature: 25 degrees with freezing rain

Successful Students: 1

Our WC Testing Center administered a TCOLE test for a student who had flown in from Las Vegas. The individual needed to successfully complete the TCOLE to be eligible to hire with Weatherford PD. The individual was unsuccessful on the first attempt. Our testing administrators, Gwen Crabtree and Mary Thomas encouraged the individual to stay and retest immediately. The second attempt was successful. Police Services was available to help our employees get home if needed.

While we were all thinking about road conditions and safety, these folks put a single student at the forefront of their concerns. The student would have returned to Las Vegas after the unsuccessful attempt were it not for the encouragement and eagerness to support the student these two individuals displayed. We can be tempted to get caught up in big numbers. It is easy to lose track of the fact that, for everyone we serve, the most important number is one. Each person's success is personal to them. We are at our best when we show that each person's success is important to us.

International Student Support:

Dr. Deborah Jogie-Cregger leads a group of Weatherford College employees to support fifteen international students from the Baltic states impacted by the war in Ukraine. Please let Dr. Cregger know if you wish to assist in this vital service to our students.
