

The goal of this event is to generate enough money so that the Old Greenwood Cemetery can be preserved for future generations. The tour is comprised of actors (standing near the departed's resting place), who portray the notable Parker County historic figure, telling of their life's accomplishments and hardships, in essence, telling their life story. This year the tour will focus on educators. There will be multiple figures who will be highlighted during the tour, with each sharing their story, before the attendees proceed to the next gravesite. There will be multiple groups progressing through the tour. The tours will run from 11 a.m. to 4 p.m. every 15 minutes. The cost is \$15 for those 10 and older and \$10 for ages 5-9.
