A MESSAGE FROM THE COORDINATOR

Dear applicant,

Hello from us here at the Weatherford College Law Enforcement Academy. So, you have chosen to explore a career in law enforcement? Perhaps you have always known that you wanted to be a police officer or are just now becoming curious. Either way, please allow me the opportunity to assure you that a career in law enforcement is a very rewarding and fulfilling profession.

I am Joseph Garcia, the LEA Chief and Program Coordinator for the Weatherford College Law Enforcement Academy (WCLEA) and I thank you for your interest in our program. Our police academy focuses heavily on student success, both as a student and a police officer. We push our cadets academically, physically and emotionally to be the best version of themselves upon completion of the program. We host two day academies and one night academy per year. Our day academy runs for approximately 5 months and our night academy runs for approximately 9 months. Our night academy is longer, because you would only attend at night for five hours.

Every portion of this application packet you're about to read has a purpose and is important. The Texas Commission on Law Enforcement (TCOLE) sets strict guidelines on how cadet's personnel files are to be built and maintained. Like TCOLE, I too will be strict but this is to prevent unnecessary delays with your application or licensing. Every step in this packet is crucial and would need to be completed before we will continue our consideration of you joining the academy. The steps are spelled out in pages following this letter. These steps are non-negotiable, and should be completed to the letter. Please read the instructions carefully! Once again, incomplete packets will not be considered for admission. Please feel free to contact me with any questions you might have.

Joseph Garcia, M.S.

CLAIMS RELEASE, INDEMNIFICATION AND ASSUMPTION OF RISK

I, _____, am enrolled in the Weatherford College Law Enforcement Academy ("LEA"), and desire to participate in LEA fire arms training. In consideration of permission to participate in LEA fire arms training, the sufficiency of which is acknowledged, I unconditionally release, indemnify and hold harmless Weatherford College, LEA, their agents, representatives, contractors, employees, administrators, faculty and staff, (hereinafter "Indemnitees") from all claims, causes of action, costs (including reasonable attorney's fees) that I or my personal representatives may have against Indemnitees as a result of any injury, including death, or damages resulting, directly or indirectly, from any act or omissions or negligence of Indemnitees, or my participation in my LEA training, which specifically includes but is not limited to fire arms training using any type of fire arms.

I hereby acknowledge the inherent danger of the use of fire arms and knowingly assume the attendant risk ("Assumption of Risk").

I hereby agree that the acceptance of this Release, Indemnification and Assumption of Risk by Weatherford College and LEA is not a waiver of Sovereign Immunity or any other defense afforded Weatherford College, LEA, or their agents, representatives, contractors, employees, administrators, faculty or staff by Statute or Common Law of the State of Texas.

I acknowledge and agree I have read the foregoing in its entirety, have had an opportunity to ask questions concerning the content and meaning thereof and that I understand its terms and conditions. I further acknowledge and agree that the opportunity to participate in LEA and in fire arms training is based on my signing this agreement.
